Gravis Marketing, a nonpartisan research firm, conducted a random survey of 5,778 registered voters across Florida. The poll was conducted from December 19th through the 24th and has a margin of error of $\pm 1.3\%$. The totals may not round to 100% because of rounding. The survey was conducted using interactive voice responses and an online panel of cell phone users. The results are weighted by voting demographics.
