Gravis Marketing, a nonpartisan research firm, conducted a random survey of 411 likely voters in Indiana. The poll was conducted from April 6th through the 11th and has a margin of error of  $\pm 4.8\%$ . The totals may not round to 100% because of rounding. The survey was conducted using an online panel of cell phone users, with the results weighted by voting demographics. The poll was paid for by Gravis Marketing.
